

**Not digital disruption  
Rather digital solutions**

**CONCRETE BEAMS & PANELS**

The combination of Gen-Eco Balsa core and Rawinkk digital printing are producing some exciting results with concrete beams and wall/ceiling panels.

Box beams made with Balsa/MDF core. Burrito Bar—Holmview

Wall Panelling with Rawinkk  
digitally printed in concrete block design  
Burrito Bar—Holmview

Stairwell enclosure—large blocks printed on 16mm MDF

These are some options of concrete and stone that can be produced as beams or wall/ceiling panels. As with all of our work, images can be altered in colour & tone.
